Remarks

Located in the heart of the Chandler Tech Corridor, this home awaits your arrival and personal touch. A charming front porch and very strong security door welcome you to this large single story home with oversized primary bedroom featuring custom bath vanities and large walk in closet, 2 additional larger bedrooms with ceiling fans, and a doubled door entry den as a possible 4th bedroom. Spacious kitchen with granite counter tops, large island, newer appliances and plenty of storage. Outside you'll cool off in a beautiful pebble tech pool for those overly warm AZ afternoons, and large covered patio for shade. This home still needs a little TLC and is priced slightly below market value with a motivated seller ... great opportunity. Come on by today
